

# SPRING 2008 STANDARDIZED TESTING

Shelly Taylor's Innovative Testing & Evaluation Services

Shelly Taylor is offering parents a choice of tests, locations, and dates for students in grades 3 through 8. Just follow the 3 easy steps listed below. Parents will also have the opportunity to compare their child's answers to the test just taken. Results will be mailed within two weeks of test date. (Ask about testing for 1<sup>st</sup> and 2<sup>nd</sup> grade students.)

### STEP 1: CHOOSE THE TEST TO MEET YOUR NEEDS AND PHILOSOPHY OF EDUCATION:

**Terra Survey:** a diagnostic test covering required Reading, Language Arts, and Math. Calculators permitted for 5<sup>th</sup> through 8<sup>th</sup> grades.

**TerraNova Plus:** these diagnostic test sections are optional - measuring achievement in Spelling, Word Analysis, Vocabulary, Mathematic Computation, Science, and Social Studies. Law does not require TerraNova's Plus sections; however, these sections give parents a choice of a more in-depth diagnostic breakdown of their child's learning levels.

**Wide Range Achievement Test (WRAT):** a non-threatening, short/concise test, meeting the letter of the law while giving you an accurate grade level. It covers Reading Recognition, Spelling, and Math Computation.
