

2012 SPRING STANDARDIZED TESTING
 Shelly Taylor's- Innovative Testing & Evaluation Services
 717-938-1135 info@iTestEval.com www.iTestEval.com

Innovative Testing & Evaluation Services is offering a choice of tests, locations, and dates for students in grades K through 12. Group test results will be mailed within three weeks of test date. After students complete testing, parents are invited to compare their child's answers to test booklet answers.

Choosing the test that meets your need and philosophy of education:

TerraNova Survey(TNS) group testing for grades 2-8. TNS is the updated version of McGraw Hill's California Achievement Test (CAT). TNS consists of filling in multiple-choice "bubble" answers for State required subjects: Reading, Language Arts, and Math. Students are asked to bring a book to read if they finish a section early. Calculators permitted, but not necessary for 5th through 8th grades. Test time-2 .5 hours. Fee: \$35 prepaid; \$40 @ door. **New- ask about parent privately administering grade 1 test.**

New-parent rents and privately administers optional TerraNova Plus (TNP) for students in grades 1-8. (Parent picks up TNP at testing site and mails completed test, and answer sheet, back to Shelly.) TNP measures achievement in Spelling, Word Analysis, Vocabulary, Mathematics Computation, Science and Social Studies. Although the homeschool law **does not** require these subject areas, TNP gives added breakdown of the student's learning levels. Test time: 2.5 hours Fee: \$15 prepaid; \$20 @door.

Woodcock Johnson Achievement Test (WJIII)-group testing for students in grades K-12. Students start with their basal level and progress until they surpass their level of proficiency. WJIII consists of a comprehensive collection of tests measuring achievement levels in Reading, Spelling, Written Language, and two Math sections. It is essential for students to be able to follow precise instructions and to understand three sections are timed. Test time-60 to 70 min. Group testing fee: \$45 prepaid; \$50 at the door.

Additional individual WJIII appointments (grades K-12) can be scheduled at Taylor residence, 270 South York Street, Eters, PA 17319. Individual testing fee: \$48.00 Two or more students tested at the same time: \$45.00 per student.

Peabody Individualized Achievement Test- Revised (PIAT-R) for students in grades K-12. The PIAT-R provides in-depth testing compared to the TNS or WJIII. Any student can take the PIAT-R. However, because of the design of the test, it is highly recommended for students who work at a low proficiency rate, are physically handicapped, or otherwise disadvantaged. Students start with easy concepts and progress until they surpass their level of proficiency. Although the PIAT-R is not timed; students should "finish in a reasonable amount of time"-usually 60 to 75 minutes. Test covers five oral sections: General Information, Reading Recognition, Reading Comprehension, Mathematics, Spelling, and one short Written Expression section. Appointments for one-on-one PIAT-R can be scheduled at the Taylor residence, 270 South York Street, Eters, PA 17319. Fee: \$65 for students Shelly evaluates; \$70 for students Shelly doesn't evaluate.
