### Types of evaluations:

**Short Form Evaluation**-for students in grades 1-8 or for grades 9-12 who don't need credits on their evaluation. The Short Form is a checklist type and meets the letter of the law. If the *\*Evaluation Worksheet* is filled out prior to the evaluation and brought along to the evaluation, your appointment will take 30 minutes. You will also earn a \$3.00 discount.

**Short Form with Credits** for grades 9-12, includes *subjects with credits earned*. This type of an evaluation is acceptable for parent issued diplomas and all homeschool diploma programs **except PHAA**. If the *\*Evaluation Worksheet* and *\*Course Description W/Credits Earned* forms are filled out and mailed one week prior to the evaluation, your evaluation will take 45 minutes. By filling out and mailing both forms one week prior to the evaluation, you will also earn a \$3.00 discount.

\*Forms can be found on web site- [www.iTestEval.com](http://www.iTestEval.com).

Other types of evaluations are available by appointment at Shelly's house.

### IMPORTANT:

❖ Please go to link, "Getting Started", on my web site, [www.iTestEval.com](http://www.iTestEval.com). You will find guidelines of what documentation I like to see in a portfolio. If going through a diploma program, your portfolio **must** meet State requirements plus diploma requirements.

Thank you for allowing me to work with you and your family. I find it a privilege in doing so.

Sincerely yours,

*Shelly J. Taylor*
